The Long Walk to Freedom

I have walked that long road to freedom.
I have taken a moment here to rest, to steal a view of the glorious vista that surrounds me, to look back on the distance I have come.
I have tried not to falter; I have made missteps along the way.
But I have discovered the secret that after climbing a great hill, one only finds that there are many more hills to climb.
But I can only rest for a moment, for with freedom comes responsibilities, and I dare not linger, for my long walk is not ended.
